**STIPULATION**

The parties, by and through their attorneys of record, hereby stipulate and request that the Court allow the parties to file dispositive after they have completed mediation, which is currently scheduled for June 28, 2023 at 1:30 p.m. Counsel for both parties feel fairly confident that the case will be resolved at mediation. In the event this matter does not settle at mediation, the parties will be able to narrow many of the issues the Court needs to address during motions practice and at trial. Currently, the deadline to file a Motion for Summary Judgment is June 16, 2023, therefore, each side is requesting that the dispositive motion deadline be extended to July

1 13, 2023. A trial date has not been set for this case, and both parties believe that a good faith  
2 attempt at an early resolution is good cause for this extension.
